Join us on
Saturday, August 11th and Sunday, August 12th

Each day the program will begin at 10:30am
working on your very own arm chair caddy.

You will stitch a little basket to attach to the top of the caddy - a great
place for storing snippets and other small items. You will also create a
wool needle booklet to attach to your project.

Full lunch will be provided.

We will then continue the afternoon with a fun, informative and
interactive lecture.

The entire day Susan will share stories of her travels to different parts
of the world and her vast knowledge of all things needlework.

Susan always delivers a fabulous project and you will love all the tips
and tricks that she will share to create a beautifully unique piece all
the while laughing the day away.

Whether you have taken a class with Susan before
or not you will see what a
wonderful experience this will be.

Class Price - \$125.00
